Secrets of Revelation

Indeed a great affliction awaits those who opted for sarcasm and raising vain objections against Islam. The reason was their greed for mundane wealth, without caring for the lawful or the unlawful. They simply kept on adding to their fortune and enjoyed counting it with the false hope that it would be with them for ever. It will not be so as everything will have to be left behind, for sure. And they will be dumped into the Crushing Hell in a section where the intensity of fire shoots out to the hearts. They will be surrounded by very tall columns of fire, sealed off at the top like the lid of a container.
