### Secrets of Revelation

Say (O' Prophet<sup>SAW</sup>)! To Allah belongs all the excellence and it is **He Who** is void of any fallibility whatsoever. There is no one else like **Him**. It is upon **Him** that all the creation depends, while **He** is dependant on none. There is no analogy that can be drawn for **Him** with reference to any creation. **He** is neither begotten nor **He**

begets. He is not the One to come into existence through lineage. There is none like Him, nor of His resemblance. None can be ascribed as His partner in terms of His Being and His Attributes.
